## THE ELECTION.

REPUBLICANS TAKE EVERYTHING IN SIGHT—TOO BAD THEY COULDN'T HAVE TAKEN MORE.

HOKE AND GROVER DOWNED.

Democracy Overthrown—Members of Congress Taught a Lesson.

The election Tuesday was a great surprise from one end of this glorious country to the other. Democracy met crushing defeat everywhere and the Solid South came pretty near being shaken to pieces. It is well. The members of the Senate and lower house of Congress have been taught a lesson they will not soon forget. For months and months they trifled with the feelings of the American people by monkeying with the tariff and the people got tired of it. Hoke Smith ruled against and insulted the veterans of the late unpleasantness and lost his party hundreds of thousands of votes. Just now he probably regrets it. Democracy deserved the defeat which she got. The party will of necessity be better hereafter.

In Kansas the Populists were routed foot, horse and dragoons. Morrill has been elected by a good round majority and the legislature is Republican.

In Cherokee county the Populists elected two or three candidates and the Republicans elected Herod for county superintendent. McNeil for county attorney and Col. Alexander Warner of this city for representative from the Twenty-fifth district.

But what the NEWS is happy about is the election of A. H. Skidmore by about 2,700 majority over McCue, the present incumbent, for judge of the Eleventh judicial district. Skidmore ran ahead of his ticket all over the district. In fact he ran as though he was scared.

In Baxter Springs more than an average vote was polled and the Populists lost votes as compared with two years ago. Some quarreling was done at the polls, but nothing of a serious nature occurred.

Lewelling had one majority in Springvalley township. The vote polled there was heavy.

If business needed a change in order to revive, it has gotten it. Now let'er revive.

The tabulated statement of the official vote will be given in our next issue.
